SKY TERRACE

OUR HISTORY

Rising above the city bustle on the 9th floor of Padma Hotel Semarang, you'll discover ZERU Sky Terrace. An elevated hideaway where Mediterranean ease meets a soulful listening-bar ambience. From its open-air vantage point, the city unfolds into gentle mountain silhouettes and stretches toward the distant coastline, offering a view that slows the pulse and settles the mind. It's the kind of place where good company, thoughtful drinks, and lingering music come together to create something quietly unforgettable.
